

Business Profile

Thomas Koller

Thomas Koller, Managing Partner of IBC Insurance Broking and Consulting Ltd.

With over 20 years in the insurance industry Thomas wrote his Master degree of Emerging Risk Mitigation.

Today he's the Chief Innovation and Product Officer of IBC Insurance Broking and Consulting Ltd. and leads within the Risk Management department.

Historically, Thomas started his career as a Property and Business Interruption Underwriter and worked over the last decade providing innovative Risk and Insurance Concepts to IBC's clients.

Risk Management has always been in his focus. He says, "insurance cover permits companies to survive Important Losses, but Risk Management helps a company to build sustainable growth."
