

Chiara Di Segni

Chiara Di Segni is a serial investor and entrepreneur, now spearheading the CSR initiative for Tradeteq, a company that provides the technological and capital markets infrastructure to invest in trade finance.

She has twenty years of experience working at the crossroads of geopolitics, IR and High-Tech co-founding and advising companies, consulting third sector organizations and government in matters of strategy, leadership and scenario planning.

Chiara is a graduate of the Fletcher School of Law and Diplomacy, a passionate philanthropist, currently based in Italy.
